

Coordination increased across most of metropolitan France

90 of 96 départements recorded higher CENP in 2022 than in 2002 (mean across départements: 0.51 in 2002, 0.62 in 2022).

ΔCENP = CENP 2022 - CENP 2002. CENP = $(K - ENP) / (K - 1)$, with K = 16 candidates in 2002 and 12 in 2022.
Sources: Ministère de l'Intérieur (first-round results), INSEE (population, surface). 96 metropolitan départements.
